FROM THE HELM:

Commodore: Tim Leveque

On June 23rd we had a fantastic dinner dance at the Tiburon Yacht Club. Thirty eight of our members and their guests enjoyed the event. It was a beautiful evening, the weather was great and the food and service were wonderful. The Charlie Baker band entertained us all night and everyone seemed to be having a nice time--all of this for only \$40 a person. It

does not get much better than that. We have Sharon and Paula to thank for organizing this event including booking the Entertainer and working with the caterer to provide a delectable evening.

On June 13th we had a special meeting concerning the RBYCs existence in the future. The following is from our Secretary's notes.

"The meeting was then turned over to the board and guests, with each person given the opportunity to express his or her opinion as to whether or not to disband, if not, how to reinvigorate the club. Recommendations included bringing back the auction, fewer expensive events, fewer events with music (to make conversation easier), more variety of events – not just dances, daytime events such as picnic."

While many of the ideas presented have merit, **we are still in need of members to run and manage the club.** We are lacking a Treasurer and six (6) board members. Mia Brent has volunteered to be our next Commodore but she cannot run the club by herself. She and the club need you to volunteer for the open positions.

Message from the Commodore continued...

Our next board meeting will be Wednesday July 11th 7:00 pm at the Belvedere Community Center. At that meeting we will finalize our slate of officers to be voted on at the General Meeting on August 8. Please attend.

Comments:

It was great all around. Thank you for all the people who arranged this wonderful event. 10+ for Charlie and his group.

I'm wondering if there is some fun way to help us mingle more. There are new members that I don't know and I think we need to make more of an effort to incorporate everyone.

NOT GOOD BYE, BUT GOOD LUCK TO GIL JACOBS AND KATHLEEN SHANNON

Gil and Kathleen have moved to Las Vegas, but not before sending the following note to Commodore Tim Leveque:

Dear Commodore,

We are very sad to have to say goodbye to the Greatest Little Yacht Club in the Land. Please let all the members know that we will miss them and be thinking of all the good times we have had over the many years we have been members. Las Vegas will be our new home but of course our hearts will always be in the Bay Area with the RBYC members.
